Subject: Notification of Missing Requirements (Form PTO/DO/EO/905) for the case 10/573,358

To whom it may concern

This case 10/573,358 filed Oath/Declaration on 03/24/2006 without signatures of the inventors.

The attorney of this case informed me that the applicant never received a Notification of Missing Requirements (Form PCT/DO/EO/905) according to MPEP 1893.01(e), 37 CFR 1.497.

The attorney has already email me the signed Oath/Declaration.

However, the attorney is requesting that USPTO to send form 905 to the applicant before entering the signed Oath/Declaration because the attorney is arguing that it is USPTO's mistake not sending form 905.

Please, send form 905 to the applicant as soon as possible because this case also has Printer Rush pending right now.

Thank you!
